

Social Media Roundtable 2022

Today's Topics

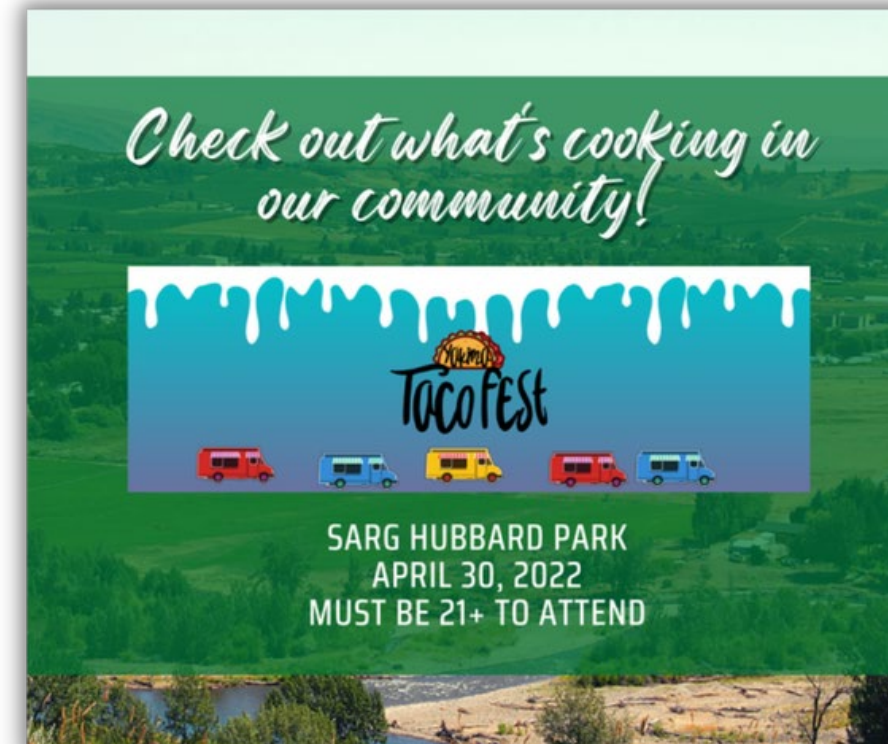

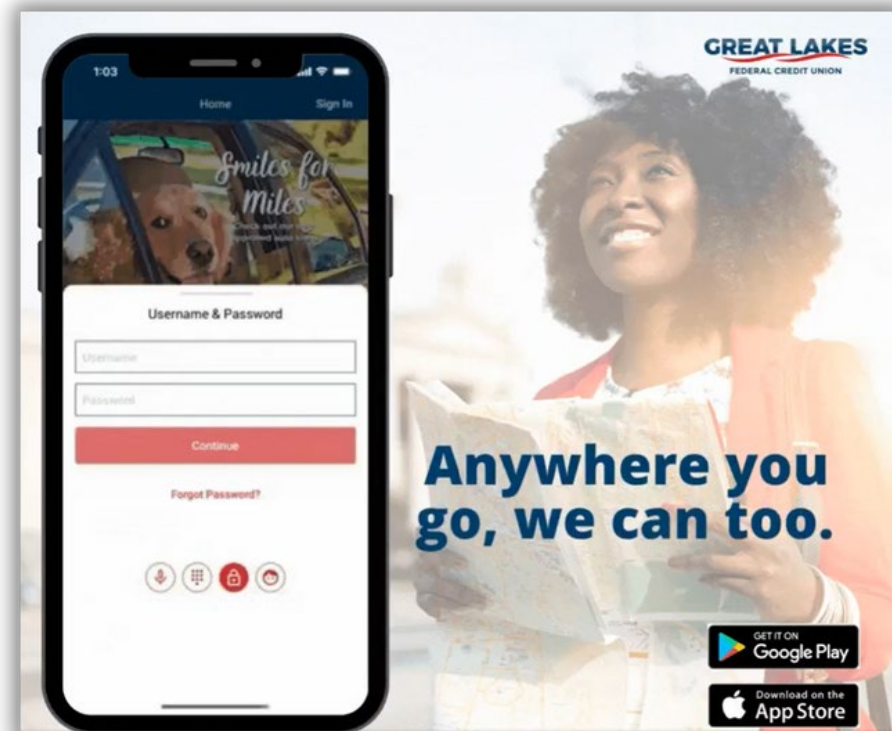

What does collaborative look like?

What does self-service look like?

What is Xtend social media management up to?

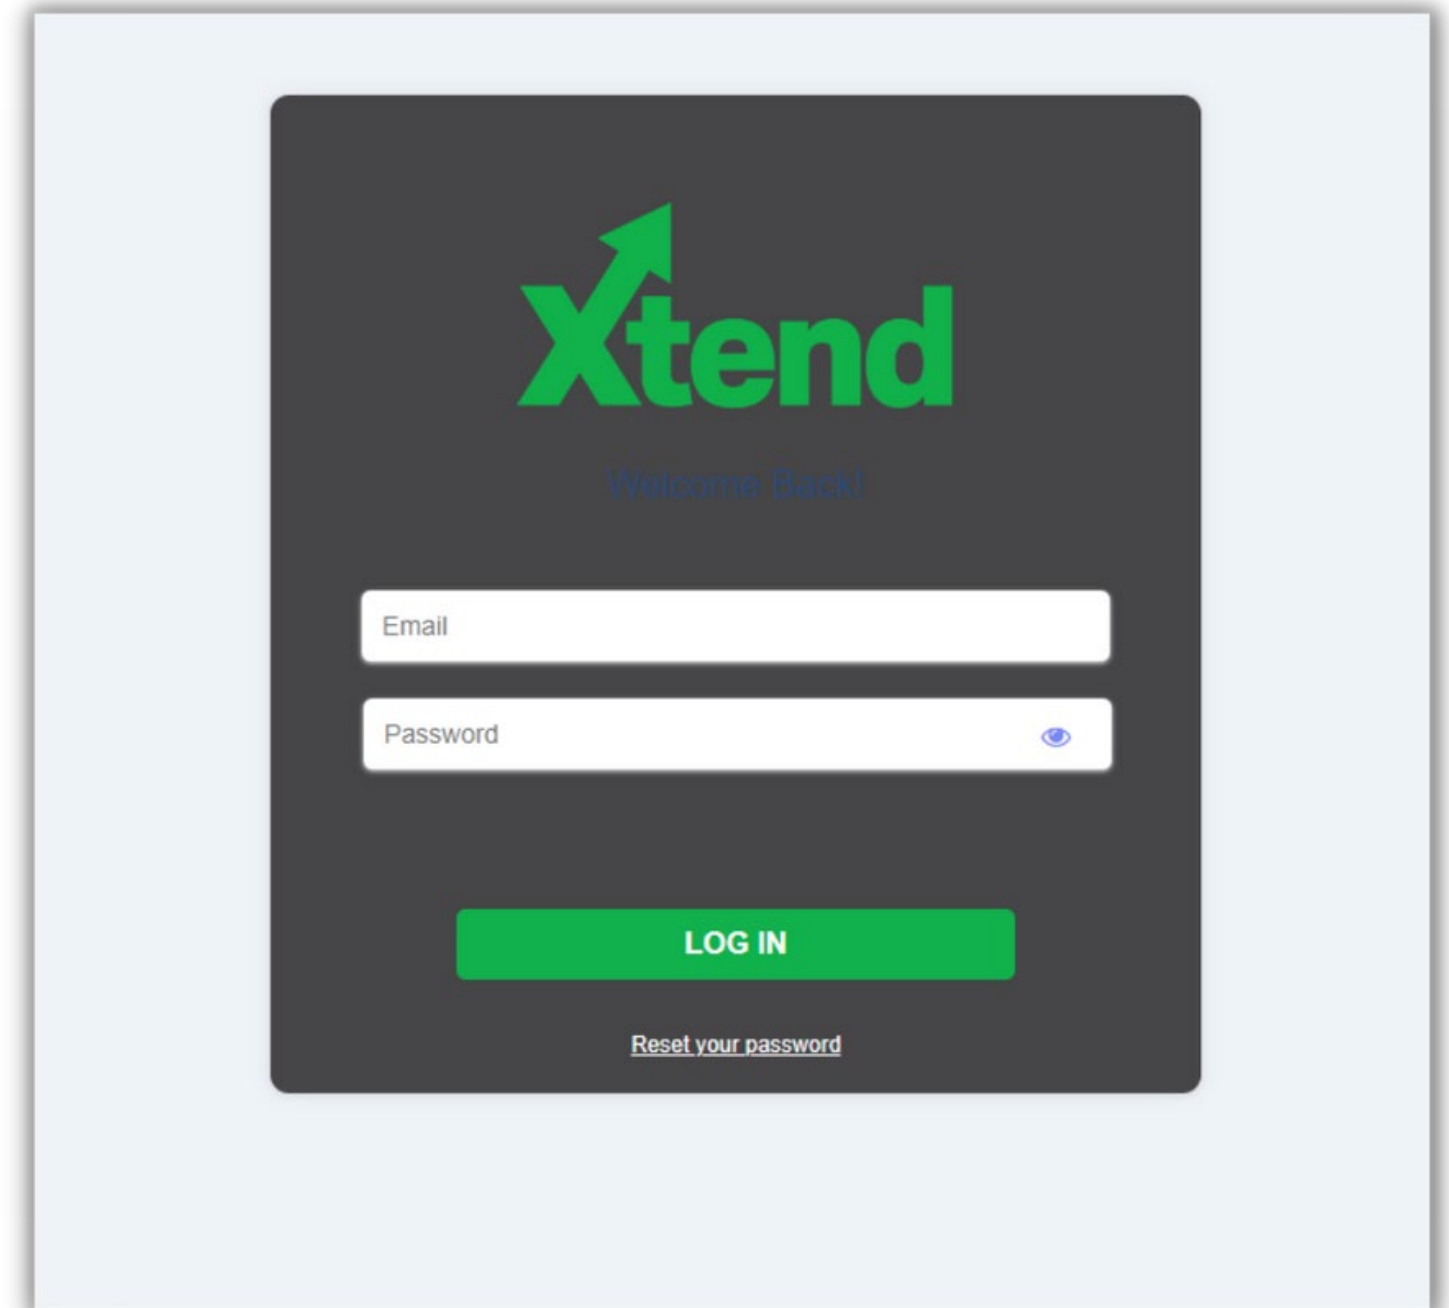

What does collaborative look like?

What does self-service look like?

- Receive full access to the portal and all tools
- Have your own individual workspace
- Xtend will provide 1 hour training session and ongoing technical support
- Option to be added to the SMM email group to share ideas, tips & tricks, struggles, etc. with other CUs

What is Xtend social
media management up
to?

The background of the image is a night sky featuring a vibrant green aurora borealis. The aurora consists of several bright, glowing patches of light that appear to be dancing across the dark sky. In the foreground, the dark silhouettes of various trees, including evergreens and bare deciduous trees, are visible against the glowing light. The overall scene is atmospheric and ethereal.
