

Liz,

Please accept my resume and letter for the purpose of expressing interest to continue to serve on the Xtend Board. I have served in my current capacity as President/CEO of BlueOx Credit Union for the last two years. I have worked at BlueOx for eight years and served in the credit union industry for over two decades. Throughout that time, I have faithfully subscribed to the notion of servant leadership and most importantly have a strong belief in the Credit Union mantra of not for profit, not for charity but for service. I believe my accounting and finance education and experience would serve the cooperative well in the mission of providing quality financial services to credit unions.

I appreciate your consideration and look forward to the opportunity.

Thanks

Steve Cobb
