Nominating Committee
XTend, Inc.
Grand Rapids, MI

I am writing to formally express my intent to seek re-election to Xtend's Board of Directors. It has been both an honor and a privilege to serve in this capacity, and I remain deeply committed to advancing the mission, vision, and long-term sustainability of our organization.

During my short tenure of the past two years, I have worked collaboratively with fellow board members, leadership and stakeholders to strengthen governance and support initiatives that stabilize and promote organizational growth. I am proud of the progress we have made together and remain energized by the opportunities that lie ahead. I have also been grateful for the opportunity to provide stability, guidance and continuity during the transition of new leadership – helping to ensure that our strategic priorities, culture and unwavering commitment to service remained strong throughout this important period.

As we continue navigating in an evolving landscape, I believe my experience, institutional knowledge, and dedication position me to contribute meaningfully to the next phase of our journey. If re-elected, I will continue to uphold the highest standards of integrity, accountability, and service while ensuring our decisions remain aligned with the needs of the members we serve.

Thank you for your consideration and the opportunity to serve. I would be honored to continue contributing to the important work of this Board.

Respectfully submitted,

Cindy
