

## Relevant Mobile Savings Platform - Pricing Guide

Relevant Solutions offers a mobile savings platform that engages your members earlier on their mobile path to purchase, while presenting your Credit Union branding & payment options all the way to the point of sale.

All that we need from you is the name, address, and primary contacts of your credit union, the name and icons for your app, and a few questions answered before we get to work designing your Private Label App.

---

### What Does it Cost?

*You can cancel at any time!*

<b>Private Label App</b>					
(Custom app pricing based on asset size)					
<b>One-time set up fee of \$249</b>					
<u>Asset Size</u>					
0-100 million	101-200	201-300	301-400	401-500	501+
<u>Cost</u>					
\$135 per month	\$185	\$235	\$335	\$435	\$634

---

**My Connect Local (Optional Add-On)**  
*One-time set up fee of \$129 + \$50 per month*

### Set Up Fees Include:

Custom colors, top of wallet reminders, and a webinar to show your team how to access your admin panel to place in your cross-selling promotions and access your reports.

### Do You Provide Offers from Independent Local Merchants?

Yes! [www.myconnectlocal.com](http://www.myconnectlocal.com) provides authorized local merchants the opportunity to easily create and post offers into your app for free! This option is an additional \$50 per month, and a one-time set up fee of \$129.
